ARMODILO™

Sphere™

EXHIBITOR2014 BUYERS CHOICE AWARD

Sphere by Armodilo, the playful, quirky tablet stand that lightens up any space. Every which-way you turn it, Sphere is fun and inviting, enhancing any environment.

Sphere™ by Armodilo

The Sphere design combines playful looks with robust construction to create an unparalleled tablet display solution. Sphere is tough enough for high traffic, commercial settings in any industry, from retail to healthcare. The Sphere's signal transparent enclosure lets Wifi or Bluetooth signals flow unimpeded between the tablet and any peripherals. If optional cabling is required, the innovative Sphere design hides all cabling inside the stand for an elegant, clutter-free look.

	Medium Enclosure	Large Enclosure
Height:	11.00" (279 mm)	11.75" (298 mm)

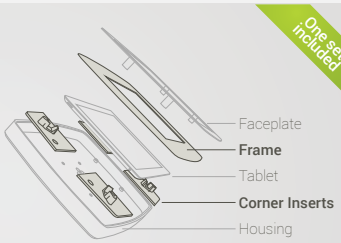
Built in and optional functionality

Tablet Fit Kit™

One set included

Sphere uses our patent-pending Tablet Fit Kit system, which holds the tablet within the kiosk head using four changeable corner inserts and a tablet frame. The Tablet Fit Kit is interchangeable should you wish to change tablets down the road.



Built in flip head

Built in

Easily flip the Sphere kiosk head to face either side of the counter. The intuitive design allows quick and smooth access for customer interaction.

	Tilt head
Tilted viewing angle	45°
Total tilt-able angle	90°
Can be mounted	Yes**

Rotational base

Optional

An optional rotational base can be purchased to provide 360°+ rotation of the tablet stand. The optional rotational base still allows for cable pass through and permanent mounting.

	Rotational base
Rotation	Unlimited
Cable pass through	Yes
Can be mounted	Yes**

***Mounting hardware included. Can be mounted to surfaces up to 2.5" thick.*
